

ROTEX PARTS & SERVICE: WE HAVE YOU COVERED.

Whether you need parts quickly or are planning a preventative maintenance program, call ROTEX® Parts & Service for Consumables, Screens, Drives, and Fabricated Parts. Offering genuine OEM parts, competitive pricing, and top quality; ROTEX® Parts & Service is your one-stop shop.

EXPERT CUSTOMER SUPPORT

Rotex offers ongoing support to answer all of your screener-related questions. With over 100 years experience, our experts quickly and efficiently address most questions over the phone or via email.

- Staff of highly qualified personnel
- On-site technical visits
- Online operation and maintenance training

EXPRESS PARTS SERVICE

Same day shipping from our strategic distribution centers means your parts can arrive to you the next day, possibly the same day.

- 24 Hour Emergency Parts Service
- Common replacement parts stocked and ready to ship
- Drive Exchange Service for in-stock drives
- Same day shipping available on U.S. and Canadian in-stock orders received by 2:00pm ET on business days.

CONSUMABLE PARTS

Rotex stocks the most common consumable parts, including:

- Flexible Molded Connectors
- Slide Bearing Components
- Mesh Cleaning Balls
- Flexible Fabric Connectors
- Seal Strip
- Clamp Handles
- Spring Tension Clips
- Drag Link Components

SCREENS

Since screen cloth is the heart of your separation process, we provide only the highest quality screens at competitive prices.

- Gyrotory
- Vibratory
- Centrifugal
- J-Hook Style
- Round Pre-Tensioned
- Bonded

FABRICATED PARTS & REFURBISHMENT SERVICES

ROTEX® Parts & Service is your source for high-quality fabricated parts and refurbishment services.

- Top Covers, Screen Frames, Bottom Pans, Feed and Discharge Chutes
- Fabricated parts as originally engineered or custom designed for your specific needs
- Refurbishment of ROTEX Machines to OEM standards to restore optimal operating capacity

DRIVE HEAD SERVICE PROGRAM

All drive replacement and reconditioning services include a quick turn-around time.

- Convenient drive exchange for quick replacements
- Drives can be rebuilt and shipped in 3 days
- Full two-year warranty
